Petition

August 24, 2001

At the August 23, 2001 Band Meeting the family of Mary Thomas asked the Chief and Council for authorization to use the Band backhoe for the retrieval of timber to be brought to IR#1 for the use in the construction of a home for the Thomas family.

The Chief and Council agreed that if there were support from the Community Band Membership the use of the Band backhoe would be authorized with conditions.

By signing the petition you will be giving support.
